Title: Victims Services

EXECUTIVE SUMMARY

This decision is an addendum to the Victims Services decision, numbered 019/2017 - a link to that decision is [here](#)

The additional funding allocated is to the Crimestoppers Trust and will be used to deliver campaigns which lead to an increase in public confidence, lower numbers of victims, victim satisfaction due to perpetrators having been brought to justice and effective targeting of those involved in serious and organised crime. Crimestoppers adds further significant value from volunteers, local fundraising, private trusts and foundations and other funding streams. Some of the campaigns will be taking place regionally with other the three PCC offices and voluntary sector partners. Some examples of Crimestopper campaigns which will be delivered includes: modern day slavery, child sexual exploitation, domestic abuse, hate crime, female genital mutilation, forced marriage and honour based violence and gangs.
