Title: Victims Services **[Addendum to 022/2018]**

EXECUTIVE SUMMARY

This decision is an addendum to the Victims Fund 2018/2019 decision numbered 022/2018. A link to 022/2018 can be found [here](#).

In July 2018 the Office of the Police and Crime Commissioner received 62 applications for victims services from across the West Midlands. Proposals came from voluntary sector organisations in relation to assisting victims to cope and recover from the impacts of crime. Recommendations were made to the commissioner by the assessment panel based on applications who met the criteria for the fund. The full list of successful organisations is attached at Annex 1.

Care for Women and Girls were conditionally awarded £20,000.00 for delivery of support services for FGM, forced marriage and honour based violence.

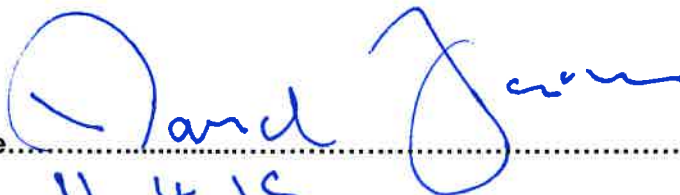

After carrying out the OPCC's due diligence process it was decided that the conditional award to Care for Women and Girls be withdrawn. The OPCC's due diligence process is designed to obtain a level of assurance that any potential delivery partner has the capacity and capability to deliver services in an appropriate manner prior to entering any formal agreements.

This money has been reallocated to the Victim Support Initial Contact, Assessment and Referral Service.
