Record 2 - 189579919: "Suspicious activity in the area" as grounds for stopping the vehicle – is this reasonable?  Record 3 – 186939807: a good example.
4.	Dip sample of Use of Force records	Record 1 - 1613216: The person was asking for a Tamil speaker. But his mental health needs meant he was not understood. ** <b>Chairs of the IAG need to write to the Supt and NHS for people with language skills to be more readily available to mitigate mental health needs being aggravated. **</b>  Record #2 – was a good example.
