Date	Item Discussed	Action taken	Complete Y/N
1/3/2022	USE OF FORCE UoF #1 – 1709/090122	Actions: Feedback for officer – the officer didn't seem to have control of the situation and didn't effectively de-escalate and calm the individual down – based on the footage we have seen.	
1/3/2022	UoF #2 – 4302/311221	Decision: A majority decision that UoF was proportionate (3* yes, was proportional & 1* not sure) Actions: Feedback to officers – the officers were very calm, polite and respectful towards the individual. Aftercare was good An area for improvement is around communication – there wasn't adequate dialogue between the officer and the individual telling him what was happening and why, when restraints were being used	
1/3/2022	NON-SPECIFIED ETHNICITY SUBJECT SS#2 SSSH-ZA- 151896	Decision: This S&S had areas for improvement Actions: please let officer know that the officers in the video didn't work collaboratively – there was very little communication between officers and tasks were left with one officer to manage The lead officer lacked assertiveness which led to poor control of the situation.	
1/3/2022	MINORITY ETHNICITY SUBJECT SS#3 SSSH-WP- 152702	Decision: Excellent S&S Actions: please let the officer know that this was an excellent example of S&S
